

Document Upload

Ability to upload documents of up to 5MB to a resident's chart via e-Notes. This can be used for scanned consent forms, lab results, lists etc which can then be easily viewed on the resident's e-Notes page. Documents with docx, xlsx, jpg, png file formats can be categorized, uploaded and easily retrieved from within the e-Notes page.

NEW e-Notes Feature

- ✔ Helps keep all residents care documentation (paper & electronic) together
- ✔ Documents with different formats can be added to complement resident's progress & incident notes
- ✔ Documents are easily retrievable once uploaded
- ✔ Increased data protection for uploaded documents due to the applications inherent access control
- ✔ Easily enable / disable document upload in Settings
- ✔ Reduced cost of on-site storage of paper documentation
