

# e-Notes

## NEW v5 Features

- ✔ Makes daily progress and critical incident tracking quick and easy
- ✔ Ability to upload documents to a resident's chart via e-Notes
- ✔ Links directly with care plans and vital sign
- ✔ Automatically alert your supervisory team in order to maintain an optimum level of care
- ✔ Generate facility reports benchmarked against national best practice standards
- ✔ Ability to schedule follow-up notes

MED e-care's new e-Notes features make it easier than ever to manage progress notes. Users now have the ability to create three different types of notes, schedule follow-ups, notify supervisory teams and attach documents, all from one screen. By bringing all this functionality into one place, your staff saves valuable time; time that can be spent providing the care that your resident's need.
