

With MED e-care's NEW POC, providing outstanding easy-to-manage care has never been easier. Now more accurate and person-centered. With our secure real-time mobile Point Of Care application, you can now use a smartphone or tablet to record progress notes and daily tasks to ensure your residents well-being.

Mobile POC

Point Of Care Software

- ✔ Eliminate data duplication and ensure the care delivery information is up to date
- ✔ Improve the Quality of Care Contact Time with our easy-to-use icon driven APP
- ✔ Record Progress Notes, ADL task completion and Flow Sheets with ease
- ✔ Up to date documentation at the time care
- ✔ Control access to non-care related activities and ensure all residents' personal data is secure
